

The Future(s) of Social Justice Series

**School of Law: Centre for Law
& Social Justice**

Conference

19 November 2019 10am—3.30pm

Legal Entitlements and problem solving for disabled people, their families and carers

**St George's Centre, 60 Great George Street, Leeds, LS1 3DL
10.00am – 3.30 pm (registration 9.30)**

*A conference to identify and discuss commonly occurring problems in accessing
key legal rights to health and social care— and how these can be addressed*

Session 1

Short updates / with discussion on current / completed research projects (including):

- Home adaptations: research with the Access Committee for Leeds;
- Home to school transport;
- Direct payment rates and conditions;
- Practical approaches to resolving commonly occurring health and social care difficulties;
- Charging and 'disability related expenses';
- Social services assessments of disabled children.

Refreshment break

Session 2

The failings of the social services complaints' process: delay, ineffective remedies and the local government ombudsman: research findings and discussion.

Lunch break (lunch provided)

Session 3

An open session to identify and discuss future research priorities.

Booking

The event is free.
