

## **Finding a local lawyer**

Generally it is best to choose a lawyer by local recommendation – but if this draws a blank, then details of all the firms who have a legal aid franchise can be found at [www.communitylegaladvice.org.uk/](http://www.communitylegaladvice.org.uk/) (and then use the ‘Find a Legal Adviser’ facility – ticking the box ‘community care’ etc.). This website is due to move shortly to [legaladviserfinder.justice.gov.uk](http://legaladviserfinder.justice.gov.uk).
