

SAVE SEND LEGAL RIGHTS

Regional Demonstration – Birmingham

 Centenary Square, Birmingham

 Saturday 9th May

 11:30 AM – 1:30 PM

Aspirations are NOT the same as legally enforceable protections.

When systems fail, families rely on rights — not promises.

Join families, carers, teachers, health and social care professionals and the many supporters for a peaceful, inclusive demonstration to protect and strengthen legal rights for children and young people with SEND.

- Short speeches from parents and advocates with carefully managed noise levels
- Family-friendly, supportive space with nearby inclusive facilities
- Bring handheld banners and placards

Peaceful. Inclusive. Powerful.
